

Mapp Installation

Jean-Pierre Kocher

Sep-2026

Download from Github

- Mapp: on an Android phone
download from <https://github.com/jpkoc/mapp-beta>
click on 'Assets'
select the right application:
 - arm32 (23.2 MB)
 - arm64 (26.9 MB)
 - universal (73MB) works on both arm32 and arm64

Next Steps

Initialize Dapp and Mapp to upload mock clinicians and mock patients data in both applications
